Mr. Victor Carabello

Dear Mr. Carabello,

It has been my pleasure working with you on the probate property listed above. During this trying time you were most professional and supportive. You showed a sensitivity to our needs to honor our grandmother's wishes in a timely manner. At any time you were available to answers our questions and give sound advice to make the transitions smoothly. We appreciate your services and would recommend you to anyone else going through these difficult times.

Sincerely,

A handwritten signature in black ink, appearing to read "Ms. Carolyn Jones", with a long horizontal line extending to the right.
